## **Corrigendum**

Page 5: correction made in the name of the “Institute for Global Environmental Strategies”

Page 15: the category “Environmentally relevant innovation” is corrected to “innovation in waste prevention and recycling”

Page 37, Figure 2.4: the figure has been reinserted to correct the distribution of polymers (%)

Page 72, Figure 3.2: the figure has been reinserted to clarify the names of two regions in the legend

Page 88, Figure 4.1: the figure has been reinserted to align timeline with same figure in Chapter 1 (1990-2019)

Page 106, Figure 5.4: the figure has been reinserted to correct the name of one country

Page 195, Figure A B1: the figure has been reinserted to clarify the names of two regions in the legend
