

Corrigendum

Page 57 :

Table 1.2

The enrolment data for different levels of education were presented in the wrong columns. The data for pre-primary education showed the data for upper secondary education and vice versa; the data for primary education showed the data for lower secondary education and vice versa.

Page 90:

Figure 2.6

The share of financial resources allocated through the General System of Transfers (SGP) to indigenous territories as part of “Special transfers” is 0.52%, not 0.08%.
