Corrigendum Level 2

Page 188:

Changes to body file:

1. **Deleted:** “The tram would follow a north-south route built parallel to the railway track.”
2. **Deleted:** “because it was performed by the company that would be responsible for building the tram and did not include an analysis of alternative mass transport options.”
Replaced: “because it lacked an analysis of alternative mass transit options.”
3. **Deleted:** “The building process will take close to four years (Box 3.13).”
Replaced: “The building process was estimated to take close to four years (Box 3.13).”
