## PAGE 4: C. ABOUT YOUR CASE STORY

**Q4: Title of case story**

If we want to connect the next 1.5 billion people, where should we be focusing?

**Q5: Case story focus**

E-commerce development and efforts to bridge the "digital divide".

**Q6: Case story abstract**

If we want to connect the next 1.5 billion people, where should we be focusing?

-Historically, attention has tended to focus on Africa, parts of the Arab region, or poorer Asia, whereas to connect as many people as possible and quickly, more focus is needed on large, densely populated countries in Asia and perhaps Nigeria in Africa.

-The internet of tomorrow will not be the same as the internet of today, as such 'when' people come online might have a big impact on which services they access and use.
