Phone Number	004930185352939

Q2: Country or Customs territory

GERMANY

Q3: Organization

Public sector

PAGE 4: C. ABOUT YOUR CASE STORY

Q4: Title of case story

Trade Facilitation in German Development Cooperation

Q5: Case story focus

Trade Facilitation.

Q6: Case story abstract

This film presents a case story addressing ways in which German development cooperation supports countries and regions across the globe in their ability to benefit from international trade and reduce tariffs to enhance access to international markets. The five key elements in an approach to promote trade facilitation include policy advice on Trade Facilitation, coordination and linking up of actors, advisory services and technical assistance in the simplification of customs processes, advisory services in the area of regulatory quality and safety standards, as well as advice on transportation, regulation and infrastructure.
