6th annual OECD Forum on Green Finance and Investment

29-30 October 2019, OECD Conference Centre in Paris

The Forum, the main annual global event for the OECD Centre on Green Finance and Investment, will gather senior policy makers and key actors in green finance and investment from around the world to foster open and action-oriented discussions to advance the global green finance agenda.

This pack contains materials to support the promotion of the Forum. We encourage you to join the discussion and share our content on your respective social media channels.

Thank you for your support.
