

# Session 5: Policy Responses to New Forms of Work

**Stefano Scarpetta**

OECD Director of Employment, Labour and Social Affairs

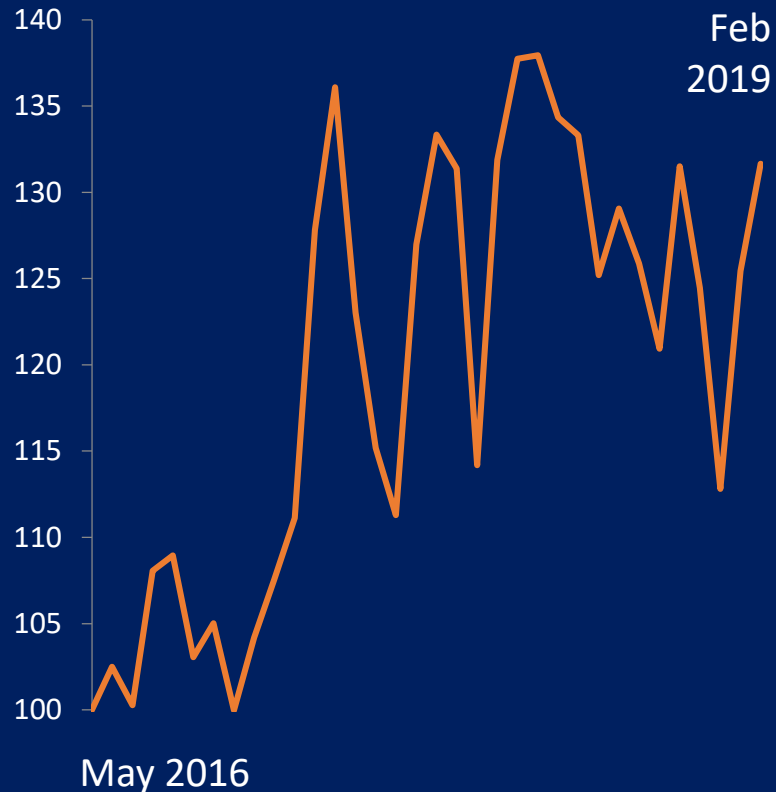

September 2, 2019

Meeting of the G20 Labour and Employment Ministers, Matsuyama, 1-2 September 2019

# New Forms of Work

## Platform work's recent growth seems to have slowed

Number of new vacancies posted on the five largest English-language online platforms

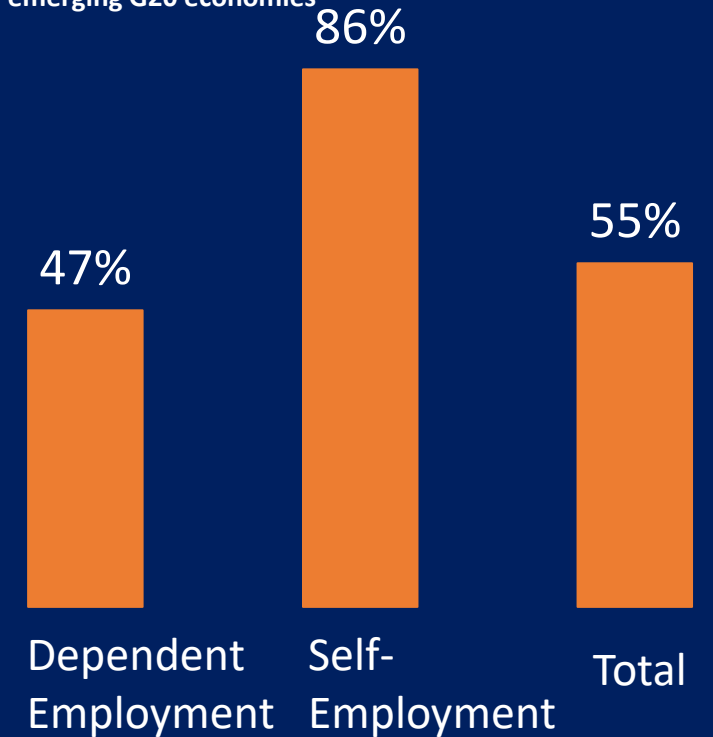

## 1 in 9 workers is on a temporary contract

Note: OECD/G20 and Russia, 2017

## Informality is high in emerging economies

Incidence by type of employment, average of select emerging G20 economies

# Challenges

## Classification

10-30% of workers in the US are **misclassified**

## Regulation

Over 1 in 5 self-employed workers in the UK had **one dominant client** in 2017

# Challenges

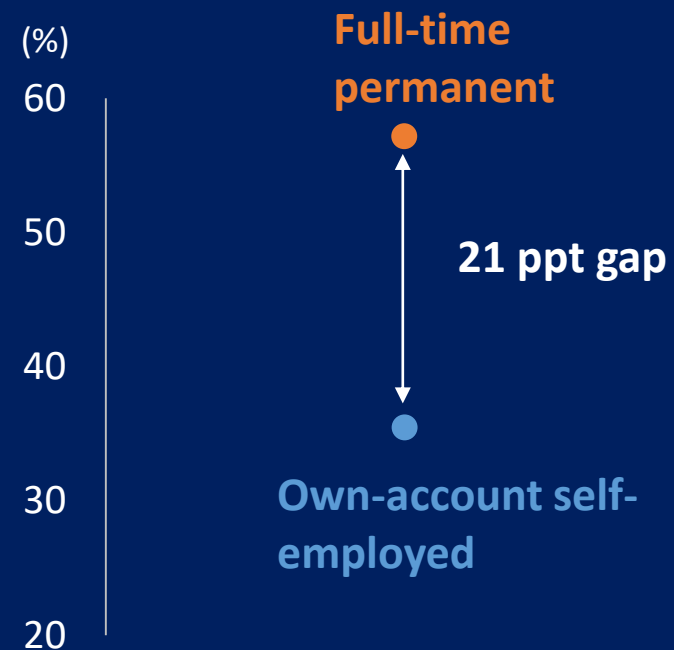

## Social Protection

Of ten G20 countries, only one gives the **same access to unemployment benefits** to self-employed and dependent employees

Same Access 
Voluntary/Partial Access   
No Access      

## Training

Non-standard workers are less likely to **have access to training**

Note: PIAAC participating countries

# Policy Responses

**OECD Survey on Policy Responses to New Forms of Work:  
G20 countries involved**

**THE FUTURE OF WORK**  
OECD Employment Outlook 2019

# Thank you

**Policy Responses to New  
Forms of Work**
