Alon  
**Zask**

Senior Deputy Director General for Natural Resources,  
Israeli Ministry of Environmental Protection (MoEP);  
Co-Chair of OECD Working Party on Biodiversity,  
Water and Ecosystems (WPBWE)

Mr. Zask has worked at the MoEP for the past 19 years and serves on the board of the Israeli Water Authority since 2014. Alon supervises the following divisions: Water, Sewage & Streams, Agro-Ecology, Pesticides & Urban Pest control and Open Landscapes & Biodiversity. Mr. Zask is also the Israeli bureau member at the OECD working groups for biodiversity, water and ecosystems as well as for agriculture and environment (WPBWE, JWPAE). As from 2018 He is the head of the Israeli inter-ministerial administration for climate change adaptation. Previously, he served as a science and monitoring expert at the Marine and Coastal Environment Division for 6 years and as the Director of the Water, Sewage and Stream Division for 7 years.

Mr. Zask holds a M.Sc. in Oceanography and B.Sc. in Geology with an extra unit in Marine Science, both from the Institute of Earth Science at the Hebrew University of Jerusalem.
