Joe
Grice

Chairman,
UK Office for National Statistics Economic Experts

Joe Grice spent most of his career in the UK Treasury, including as Director of Macroeconomic Policy and as Chief Economist. He then moved to the UK Office for National Statistics with responsibility for economic statistics. He co-chairs the Green Growth Knowledge Platform (GGKP) Expert Working group on Natural Capital.

Joe is a long time admirer of the OECD and served as chair of the Economics Department's Working Party on Macroeconomic and Structural Issues (WP1) for some 10 years.

He has degrees from the Universities of Oxford and Chicago.
