Marine
de Bazelaire

Head of Sustainability,
Continental Europe, HSBC

Head of Sustainability for HSBC Continental Europe, executive committee member, Marine de Bazelaire accompanies the various businesses and functions in the management of their sustainability stakes and those of their customers.

Before joining HSBC in 2004, Marine initiated a sustainability strategy for Tiscali Group, Internet Service Provider and headed the multimedia department of the publishing conglomerate Excelsior. Between the world of media and that of finance she worked for Bureau of Public Information of UNESCO.

Spare colonel citizen of the French Air Force, she is a non-executive Director of HSBC SICAV RIF SRI, an executive committee member of the Opéra Comique Foundation, Foundation BIC and Bangladeshi non-profit Friendship.

Her academic background range from IHEDN (Higher Education Institute of National Defense) and CHEEDD (Higher Education College of Sustainable Development and Environment), to a pre-doctorate programme in Museology from University Paris IV, a Ms in publishing and a BBA in Finance from Pace University, New York.
