

AGENDA

15 November 2022

Publication Launch

OECD Regions and Cities at a Glance 2022

About the Launch

How are regions and cities adapting to the challenges of a strong recovery, increasing pressure for energy transition and raising costs of living. OECD Regions and Cities at a Glance 2022 focuses on the spatially heterogeneous effects of the COVID-19 pandemic as well as of those triggered by on-going megatrends, such as urbanisation, digitalisation and demographic change.

About us

The OECD's Centre for Entrepreneurship, SMEs, Regions and Cities (CFE) provides comparative statistics, analysis and capacity building for local and national actors to work together to unleash the potential of entrepreneurs and small and medium-sized enterprises, promote inclusive and sustainable regions and cities, boost local job creation, and support sound tourism policies.
