40th Round Table on Sustainable Development

**Border Carbon Adjustments:
What shape in the post-COVID geopolitical
and economic landscape?**

20 October 2020
via videoconference

40th Round Table on Sustainable Development

**Border Carbon Adjustments:
What shape in the post-COVID geopolitical and economic landscape?**

20 October 2020, via videoconference

Chair: Ms. Connie Hedegaard

11h50-12h00	Zoom session opened and participants admitted
12h00-12h30	Welcome by Ms. Connie Hedegaard, Chair Introductory remarks by Mr. Angel Gurría, OECD Secretary-General Remarks by The Rt. Hon. Simon Upton Parliamentary Commissioner for the Environment, New Zealand Former OECD Environment Director and founder of the Round Table on Sustainable Development
12h30-13h10	Question 1: In the current geopolitical and economic context, what are the prospects for BCAs and possible complementary and alternative environmental measures to foster increased ambition on climate globally by limiting carbon leakage?
13h10-13h50	Question 2: What specific design features (sectors, countries, scope) would best achieve the goals of BCAs while ensuring their acceptability and avoiding their being perceived as an extra-territorial fiscal or competitiveness measure?
13h50-14h00	Break
14h00-14h40	Question 3: What are the possible uses for BCA revenues and how could they help achieve environmental goals while addressing the possible challenges to the agreement and implementation of BCAs?
14h40-15h00	Wrap-up and conclusion
