Source: OECD-DAC, Aid activity database (CRS)

1 Trade development activities are identified in the CRS via the Trade Development policy marker, which was introduced in the CRS as from 2007 flows. The amounts shown represent an "of which" of Building productive capacity activities that have been marked as contributing principally or significantly to trade development. Note however that these amounts can only at best be used as approximations.

2 Trade-related adjustment was introduced in the CRS as from 2007 flows.

Note: ".." denotes no data available.
