Aid Effectiveness Principles can be used to strengthen Regional Cooperation

Can Paris Declaration principles be applied to regional cooperation?

- Prêt-a-porter or bespoke?
- Rationalising or nurturing relationships?
- Seeking development results or broader political, economic results?
- High Level Event on South-South Cooperation
 - ➔ Fourth High Level Forum on Aid Effectiveness

Regional Cooperation can be used to strengthen Aid Effectiveness

Capacity Development for Development Effectiveness (CDDE) Facility

- Responding to demand and identifying supply
- Keeping focused on **country level** results
- Shaping international policy
