Zoom meeting recommendations

Please ensure that you have downloaded the latest version of the Zoom application: <https://zoom.us/download> before joining the meeting.

***Note:** Once validated, you will then receive a Zoom automated confirmation email with a link to join the meeting. **The same link is valid for all sessions over the 2 days of the event.**

Please keep your microphone muted, unless you are taking the floor.

Please use a headset or echo-cancelling microphone to ensure sound quality.
Be concise and speak slowly and clearly; remember the interpreters!

Please activate your video camera and look at the webcam, not the screen. Ensure your webcam is at eyelevel.

Please sit facing a source of light, so that you can be easily seen.

If possible, use a wired connection, and not a Wi-Fi connection.
