

# **Automated Case Management Systems**

”

Venue: Sofitel Cairo El Gezirah

*15-16 November 2015*

## Background

This seminar is part of the MENA Transition Fund project of the G7 Deauville Partnership.

The MENA Transition Fund project "*Strengthening the Rule of Law*" is a joint partnership with the Ministry of Justice and Court of Cassation, Egypt, with the African Development Bank and Organisation for Economic Co-operation and Development as Implementation Support Agencies.

## Objectives of the Programme

The Project aims to design and implement an automated case management system for the Court of Cassation; build capacity of staff to use new systems; reduce case delays and improve the provision of judicial services to the public.

The main purpose of the seminar is to provide judges with a global perspective on case management and discuss good practice examples.
