

International Technical Workshop

Programme: Thursday 3 December 2020

13:30 – 14:10 (Paris time)

1. INTRODUCTION AND SCENE-SETTING

Chair: Tue Halgreen, OECD. **Presenters:** Andreas Schleicher, OECD; Marguerite Clarke, World Bank; Silvia Montoya, UNESCO Institute for Statistics (UIS)

Opening remarks, introduction to the workshop, welcome and scene setting

The principal drivers and rationale for PISA-D and the out-of-school assessment pilot and impact of the results from the out of school assessment on the overall performance of education systems; the context for PISA-D – SDG 4 and the global learning crisis; the importance of PISA-D out-of-school assessment data for SDG4 and leaving no one behind, especially at a time of COVID-19 crisis; perceptions of international agencies regarding the results of the assessment.

14:10 – 15:10

2. THE RESULTS OF PISA-D AND COUNTRY EXPERIENCES OF DATA COLLECTION AND REPORTING

Chair: Yuri Belfali, OECD. **Presenters:** Edgar Noriega, Ministry of Education, Guatemala; Vilma Reyes, Ministry of Education, Honduras; Nadia De Leon, Ministry of Education, Panama; Veronica Heilborn, Ministry of Education, Paraguay; and Massar Diop, INEADE, Senegal.

What the PISA-D out-of-school data tells us; the experiences of participating countries in collecting and analysing the data and preparing and disseminating national reports; potential impacts of the reports on education policies and strategies in-countries; policy questions that are being addressed by the PISA-D out-of-school data; challenges faced and lessons learnt.

Coffee break 15:10 – 15:20

15:20 – 16:00

3. QUESTIONS, ANSWERS AND DISCUSSION

Chair: Yuri Belfali, OECD. **Panellists:** Edgar Noriega, Ministry of Education, Guatemala; Vilma Reyes, Ministry of Education, Honduras; Nadia De Leon, Ministry of Education, Panama; Veronica Heilborn, Ministry of Education, Paraguay; Massar Diop, INEADE, Senegal; Michael Ward, OECD; Marguerite Clarke, World Bank; Silvia Montoya, UIS

Questions from the participants and responses from the panel, including perceptions of international agencies regarding the results of the assessment. Discussion and Next Steps with PISA out-of-school assessment.

16:00 – 17:30

4. MEASURING LEARNING THROUGH THE LIFECYCLE IN MULTI-TOPIC NATIONAL HOUSEHOLD SURVEYS

Chair: Silvia Montoya, UNESCO Institute for Statistics (UIS); **Presenters:** Joao Pedro Wagner De Azevedo, World Bank; Claudia Cappa, UNICEF; Manuel Cardoso, UNICEF; Dirk Hastedt, International Association for the Evaluation of Educational Achievement (IEA); Michael Ward, OECD; Nicolas Jonas, UNESCO Institute for Lifelong Learning (UIL); Gero Carletto, World Bank.

Update on the collaboration between UNESCO, UIS, UNICEF, OECD and the World Bank regarding measuring learning through the lifecycle in multi-topic household surveys. Including, the rationale for and overview of the approach; the proposed learning assessment modules for measuring SDG indicators 4.1.1.a.b.c, 4.2.1.1 and 4.6.1 in household surveys; preparation of a stock-taking document on available learning assessment tools; development of guidelines for including learning assessment modules in household surveys and preparation of a roadmap for improving learning data collection in household surveys. Followed by questions and discussion.

17:30 – 17:35

5. CLOSING

Michael Ward, OECD.

Summary of the outcomes of the Workshop and thanks.

CLOSURE

*Please note this meeting will be recorded. The recordings will be found after the event on the [EduSkills YouTube channel](#) and the workshop specific [website](#).

Data Protection Notice for the PISA for Development Out-of-School Assessment International Technical Workshop

The Programme of International Student Assessment (PISA) for Development Out-of-School Assessment International Technical Workshop is a webinar event taking place on 3 December 2020, where international stakeholders consisting of country representatives and other international organisations will summarise their experiences and key takeaways from the PISA for Development Out-of-School survey.

The webinar is hosted by the OECD Directorate for Education and Skills.

The webinar will include panellists who will actively participate in the webinar event and present on certain topics. The webinar will be recorded using OECD's licensed Zoom account.

The webinar will involve the collection of personal data, including:

- identification data (e.g. name/username, video and audio, email address)
- opinions expressed during the webinar

The OECD is committed to protecting the personal data it processes, in accordance with its [Personal Data Protection Rules](#).

The recorded webinar, including two to three language versions of the recordings, will be made publicly available on the OECD Directorate for Education and Skills' [YouTube account](#) and the OECD's dedicated public [webpage](#) for the webinar event (the webpage is going live on 3 December 2020). The recordings may also be shared on the OECD Directorate for Education and Skills' Twitter and Facebook accounts. Panellists' personal data will appear on the recording(s) that will be published online.

The recorded webinar will be processed in accordance with the OECD Personal Data Protection Rules and stored by the OECD indefinitely in support of PISA for Development.

Under the OECD Personal Data Protection [Rules](#), individuals have rights to access and rectify their personal data, as well as to object to its processing, request erasure, and obtain data portability in certain circumstances. To exercise these rights in connection with the PISA for Development Out-of-School Assessment International Technical Workshop please contact Andrea.Konstantinidi@oecd.org and Thomas.Marwood@oecd.org.

If you have further queries or complaints related to the processing of the student's personal data, please contact the [Data Protection Officer](#). If you need further assistance in resolving claims related to personal data protection you can contact the [Data Protection Commissioner](#).
